

Westside United Team Camp

All Westside United travel teams (u8-u15) will participate in a training camp the week of July 24-27. The camp will last four days and the cost for each Westside United player is \$25 which will be figured into their fall fees. The camp will be directed by Josh George, director of coaching for Westside United FC. Coach George will be utilizing other Westside United coaches as well as college coaches during the duration of the camp. The camp will be geared towards the technical and tactical side of the game in a challenging environment. All players are expected to bring a ball, wear soccer cleats, have shin guards on, and bring water to training.

U8-U15 Boys	July 24-27	5:30-7:00	Dan Jones Complex
U8-U15 Girls	July 24-27	7:15-8:45	Dan Jones Complex

Westside United Striker's Camp

Westside United will be hosting a striker's camp that will work on improving each individual's goal scoring ability through technique and repetition. During the camp, each player will learn a variety of ways to put the ball in the back of the net while incorporating the technique of how to properly strike a ball with power and placement. Players are expected to get around 200 to 400 strikes on the ball during each session. Each day will be a different way of finishing as the coaches will manipulate the environment to ensure that each player is getting well rounded instruction and seeing the many different ways and techniques that lead to goal scoring success. The camp will be instructed by Todd Frost and Chad Medcalfe, U13-U19 Directors of Coaching, and will use a variety of coaches from within Westside United FC who have played the game at the college level or beyond. Below are more details on the camp:
